

LAUREL OF THE KENTUCKY COLONEL.  
Water! I hate it.  
The cause of all my woes  
The stocks I put my money in  
Are watered; so it goes.

My wife is wearing watered silk  
At an outrageous price;  
And when we dine—too oft, alas!  
She gives me water ice.

"Then here a letter from my son:  
"Dear Pa," he writes to me,  
"I'm off the baseball plus for good  
With water on the knee."

To think that any son of mine  
Should have such a disease;  
Why can't he keep the stuff away  
From his patrician knees?

And now my doctor tells me (Ah!)  
Great heavens, what a stain!  
That I, a bluegrass gentleman,  
Have water on the brain.

Then welcome, Death! you bring release  
From what I've held aloof.  
Bury me in my mankintosh.  
At least that's waterproof.

### AN EARLY INTRUDER

Frightened a Sutton Street Lady and  
She Called the Police

Mrs. M. B. Clark of Sutton street heard some  
one Thursday night trying to get into her resi-  
dence by climbing onto the kitchen roof and  
enter by a second-story window.

She sent word to the Police headquarters for  
aid.

Whoever it was made good their escape on  
the approach of the Police, as a thorough search  
failed to develop the presence of a marauder.

Mr. Clark was absent from home, being in  
attendance at the Third Street M. E. Church  
prayer-meeting.

Mrs. Clark was positive she was not in this  
instance mistaken, but that an attempt to enter  
the house had been made on another occasion.

### USELESS EXPENSE

Sentiment Gaining Favor to Do Away  
With Our Grand Juries

There is a sentiment abroad in regard to  
doing away with Grand Juries as being ar-  
bitrary as well as a source of heavy expense.

Where information sufficient to warrant an  
arrest is at hand, nothing more than an affidavit  
from the Commonwealth's Attorney should be  
necessary.

By adopting this plan Mason county would  
save thousands of dollars that could be di-  
verted to the school or turnpike funds.

If not that she could reduce the rate of  
taxation.

It is a matter that is receiving thoughtful  
consideration in other parts of the country and  
it will do no harm to agitate the question here  
in order that the people of Mason county may  
think it over and if good and practicable take  
some action in the matter.

### Chamberlain's Cough Remedy the Best Made.

"In my opinion Chamberlain's Cough Remedy  
is the best made for colds," says Mrs. Cora Walker  
of Porterville, California. There is no doubt  
about its being the best. No other will cure a  
cold so quickly. No other is so sure a preven-  
tive of pneumonia. No other is so pleasant  
and safe to take. These are good reasons why it  
should be preferred to any other. The fact is that  
few people are satisfied with any other after hav-  
ing used this remedy. For sale by all Druggists.

### HIGHEST PRAISE.

Some Maysville Citizens Grow En-  
thusiastic on the Subject.

The praise of the public  
is merit's just reward.  
Nothing in modern times  
Has received the praise accorded "The Little  
Conqueror."  
Of some kinds of praise we are skeptical.  
We doubt the praise of strangers.  
The highest praise for Maysville public  
is hearty expression from Maysville people.  
Doan's Kidney Pills are endorsed in Maysville.  
No better proof of merit can be had.  
Here's a case of it. We have plenty more  
like it.

James D. Tolle, clerk at Wood Bros. Mea-  
Market and living at 117 Short street, May-  
ville, Ky., says:

"I was troubled a great deal for some time  
with constant heavy pain in the small of my  
back and over the kidneys. At times it was so  
bad that I could not stoop to sit down or get  
up without much difficulty. The action of the  
kidneys was noticeably weakened and passages  
of the secretions were too frequent, and there  
was a scalding, burning sensation at times.  
Hearing of Doan's Kidney Pills I began using  
them, and finding great benefit, continued the  
treatment until I had taken one or two boxes  
more and was thoroughly cured of all my  
troubles. I have never had the least bit of  
suffering from my back or kidneys since. I  
give all the credit to Doan's Kidney Pills and  
feel justified in strongly recommending them  
to others."

It is exceedingly gratifying to merchants when the public takes interest in their advertising. It is fur-  
thermore complimentary to the intelligence of the public that they readily select the grain from the chaff. Our  
last week's ad to close out some lots of our very choicest SUITS and OVERCOATS at way below their value at-  
tracted many that did not actually want to buy any more clothing this season, but the quality of the goods and  
the price we are selling them for now were irresistible. "They bought." During this cold snap we want to

## FROM GIRLHOOD TO WOMANHOOD

Mothers Should Watch the Development of Their Daughters—  
Interesting Experiences of Misses Borman and Mills.

Every mother possesses information  
which is of vital interest to her young  
daughter.

Too often this is never imparted or is  
withheld until serious harm has result-  
ed to the growing girl through her  
ignorance of nature's mysterious and  
wonderful laws and penalties.

Girls' over-sensitiveness and modesty  
often puzzle their mothers and baffle  
physicians, as they so often withhold  
their confidence from their mothers  
and conceal the symptoms which ought  
to be told to their physician at this  
critical period.

When a girl's thoughts become slug-  
gish, with headache, dizziness or a dis-  
position to sleep, pains in back or lower  
limbs, eyes dim, desire for solitude;  
when she is a mystery to herself and  
friends, her mother should come to her  
aid, and remember that Lydia E. Pink-  
ham's Vegetable Compound will at this  
time prepare the system for the coming  
change, and start the menstrual period  
in a young girl's life without  
pain or irregularities.

Hundreds of letters from young girls  
and from mothers, expressing their  
gratitude for what Lydia E. Pinkham's  
Vegetable Compound has accomplished  
for them, have been received by the  
Lydia E. Pinkham Medicine Co., at  
Lynn, Mass.

Miss Mills has written the two fol-  
lowing letters to Mrs. Pinkham, which  
will be read with interest:

Dear Mrs. Pinkham:— (First Letter.)  
"I am but fifteen years of age, am depressed,  
have dizzy spells, chills, headache and back-

ache, and as I have heard that you can give  
helpful advice to girls in my condition, I am  
writing you."—Myrtle Mills, Oquawka, Ill.

Dear Mrs. Pinkham:— (Second Letter.)  
"It is with the feeling of utmost gratitude  
that I write to you to tell you what your  
valuable medicine has done for me. When I  
wrote you in regard to my condition I had  
consulted several doctors, but they failed to  
understand my case and I did not receive  
any benefit from their treatment. I followed  
your advice, and took Lydia E. Pinkham's  
Vegetable Compound and am now healthy  
and well, and all the distressing symptoms  
which I had at that time have disappeared."—  
Myrtle Mills, Oquawka, Ill.

Miss Matilda Borman writes Mrs.  
Pinkham as follows:

Dear Mrs. Pinkham:—  
"Before taking Lydia E. Pinkham's Veget-  
able Compound my monthly were irregu-  
lar and painful, and I always had such  
dreadful headaches.

"But since taking the Compound my head-  
aches have entirely left me, my monthly are  
regular, and I am getting strong and well. I  
am telling all my girl friends what Lydia E.  
Pinkham's Vegetable Compound has done for  
me."—Matilda Borman, Farmington, Iowa.

If you know of any young girl who  
is sick and needs motherly advice, ask  
her to address Mrs. Pinkham at Lynn,  
Mass., and tell her every detail of her  
symptoms, and to keep nothing back.  
She will receive advice absolutely free,  
from a source that has no rival in the  
experience of woman's ills, and it will, if  
followed, put her on the right road to a  
strong, healthy and happy womanhood.

Lydia E. Pinkham's Vegetable Com-  
pound holds the record for the greatest  
number of cures of female ills of any  
medicine that the world has ever  
known. Why don't you try it?

The Company OF the People, BY the People, FOR the People.

Amount of Outstanding Insurance, \$1,342,381,457.00.

### PROOF OF PUBLIC CONFIDENCE.

This Company has more premium paying business in force in the United States  
than any other Company, and for each of the last ten years has had more New  
Insurance accepted and issued in America than any other Company.

The number of Policies in force is greater than that of any other Company  
in America, greater than all the Regular Life Insurance Companies put together, less one, and can only be  
appreciated by comparison. It is a greater number than the combined population of Greater New York,  
Chicago, Philadelphia, Boston, St. Louis.

### Pneumonia and Consumption

#### CONSUMPTION THREATENED

C. Unger, 211 Maple St., Champaign, Ill., writes:  
'I was troubled with a hacking cough for a year and  
I thought I had consumption. I tried a great many  
remedies and I was under the care of physicians for  
several months. I used one bottle of FOLEY'S

been troubled since.'

Attorney General Hays, in an opinion, voids Connally's attorneys not entitled to the 20% commission heretofore allowed upon the payment of the amount due in redeeming land sold for taxes and bought in by the state, unless the attorneys have fully complied with the statutes and secured the title of the land to the Commonwealth.

**NELLIE McHENRY IN "M'Liss."**  
The Louisville Commercial of January 16th says of M'Liss, the attraction at the Washington Opera-house Monday, January 23d:

"Nellie McHenry played to two big and enthusiastic houses at the Avenue in her revival of Bret Harte's delightful story of the West, 'M'Liss.' She has a good company and every once in a while you can see bubblings of the jolly, wholesome Nellie McHenry of years ago. She looks just as young, just as frisky and just as chipper as she was then, and as 'M'Liss' she's surely a winner. 'M'Liss' is put on without any of the crazy frills of the average melodrama and is a plain and simple and interesting portrayal of the life in the West in the old days so beautifully pictured by Bret Harte."

Russell, Dye and Frank recommend M'Liss to their patrons.

The Charley Jutte, which was wrecked by the breaking of an ice gorge and sunk at Calbe's Eddy a month or more ago, has been towed to Pittsburgh. She is now at the Manchester docks and will undergo expensive repairs.

The last of the Pittsburgh coal fleet has passed down. They were the W. W. O'Neil, J. B. Finley, W. C. Jutte, Fallie, Ranger and Crescent. Considering the amount of heavy ice in the stream the run of the boats was remarkable, not a single accident being reported.

Steamboat men are interested in an ordinance which has been presented in the East Liverpool (O.) Council and propose to secure its defeat. The ordinance proposes to place a tax upon all steamboats stopping at that city. East Liverpool has no wharf, nothing but the mud banks of the river. ## RESOLUTIONS ADOPTED

### Action of the Official Board of the Christian Church

At the last meeting of the Official Board of the Maysville Christian Church the following resolutions were adopted—

Resolved, That in the mysterious providence of our Allwise Heavenly Father, our beloved brother and "true yoke-fellow" in Christ, M. P. Marsh, has passed from his "work of faith and labor of love" unto the joy of his reward, "the crown of life;" be it therefore

Resolved, That the Official Board, as well as every other department of the Christian Church, has sustained a very heavy loss in the death of so efficient an Elder, wise counsellor and tireless worker, who like Barnabas "was a good man and full of the Holy Spirit and of faith;" be it further

Resolved, That the Christian community and citizenship of Maysville have likewise suffered a heavy loss in the passing of one whose daily life was a "walk with God," a human reflection of the spirit of Christ; be it also

Resolved, That our deepest sympathy be expressed to the bereaved wife and children and that our word of consolation to them be, "this life was hid with Christ in God;" and, finally, be it

Resolved, That these resolutions be spread upon the minutes of the Church, published in the two daily papers and that a copy be sent to the family.

My last invoice of those Extra Fancy Open Kettle Apples just in. They go at the surprisingly low price of 15c. The quality can't be beat. My fine Blended Coffee are the talk of the town. They still go at 15c, 20c and 25c. No money in them to me at the prices, but they are snags for you. FINEST TEAS bought directly from the importers. Can't be equalled in Maysville, either in price or quality. "PERFECTION FLOUR" always gives satisfaction. If you want the best at all times don't buy any other brand. You know I would not sell it and recommend it for sixteen years continuously if it was not what I claim for it—always the best. Those extra fine full catch MACKEREL are going like hot cakes just because they are what I recommend them to be—the finest that can be bought. Remember, I guarantee everything I sell to be just as recommended. If I tell you an article is the best and you find it is not, return it and get your money back. At the extremely low prices I have named on these goods I must ask my customers to pay cash when they wish to take advantage of the prices.

Our schools are also in a deplorable condition, many of them having an attendance of only five or six scholars, and there has been a just kick over the change of school books, the old ones being better than the new ones. **Cured His Mother of Rheumatism.**

"My mother has been a sufferer for many years from rheumatism," says W. H. Howard of Husband, Pennsylvania. "At times she was unable to move at all, while at all times walking was painful. I presented her with a bottle of Chamberlain's Pain Balm and after a few applications she decided it was the most wonderful pain reliever she had ever tried; in fact, she is never without it now and is at all times able to walk. An occasional application of Pain Balm keeps away the pain that she was formerly troubled with." For sale by all druggists.

**Insanity, Death or Health?**

No. 2207 Locust Street, St. Louis, Mo., March 29, 1905.

I was a victim of sleeplessness and extreme nervousness for eighteen months, unable to get a proper night's rest and feeling tired and worn out continually. I was easily irritated and hysterical at the slightest provocation, but Wine of Cardui gave me great relief. Within a week after I began using it I had my first real good night's rest that I had had for months. My appetite was soon restored, my general system toned up and nervousness became a thing of the past. I am so pleased to acknowledge the great curative merit of your health giving medicine and gladly endorse it.

**Harriet O. Best**  
CHAIRMAN, LADIES OF HONOR, No. 77.

**WINE of CARDUI**

We want to call your attention to the complete and immediate relief Mrs. Best secured by taking Wine of Cardui. Within a week after she began taking Wine of Cardui, Mrs. Best had her first good night's rest for eighteen months. Her restlessness was caused by nervousness and Wine of Cardui, as the best menstrual regulator, has no superior in the world as a medicine to soothe a woman's nerves. Nervousness and hysteria are warnings of the approach of insanity and if relief is not secured the end can only be the asylum or the grave. With such an outlook as this before her, no suffering woman can reasonably refuse to give Wine of Cardui a trial. It brings a cure that thousands of women have sought for in vain. Will you secure a bottle of Wine of Cardui today and start treatment?

All druggists sell \$1.00 bottles Wine of Cardui.
